

## **Announcing Job Guaranteed FullSta**

The screenshot shows the iNeuron website for the 'Full Stack Javascript Web Developer' course. The header includes the iNeuron logo, navigation links for 'One Neuron' and 'Courses', a search bar with the placeholder 'What do you want to learn?', and 'Sign up' and 'Sign in' buttons. The main content area features a video player with a man in a red and white checkered shirt. Below the video, the text reads 'By Premium mentors > Full Stack by Hitesh Choudhary' and 'Full Stack Javascript Web Developer'. A 'Job Guarantee Program' badge is present. The description states: 'Learn everything about Javascript with React, Vue, Angular, Nodejs, MongoDB, NextJS, Tailwind, etc. Build industry ready projects.' To the right, a circular inset shows a man in a black shirt. Below the video, the 'Upcoming Batch' is listed as '10th July 2022'. A section titled 'What you'll learn' lists: 'HTML and DOM', 'Starting with CSS', and 'Working on coming soon template'. The price is '₹17700.00' with an 'Enroll Now' button. A 'Timings' section is partially visible. The Windows taskbar is at the bottom.

Hello all my name is krish naik and welcome to my youtube channel so guys we are tiny rana happy to announce the full stack javascript web developer

This is a duplicate of the screenshot above, showing the iNeuron website for the 'Full Stack Javascript Web Developer' course. It includes the same header, video player, course details, 'Upcoming Batch' date of '10th July 2022', 'What you'll learn' list, price of '₹17700.00', and 'Enroll Now' button.

Majak directed program and this program actually starts from 10 july 2022

Let me go towards your mentors will be the mentor of this particular program so we have hitesh choudhary i hope you are seeing his youtube channel ritesh chaudhari itself

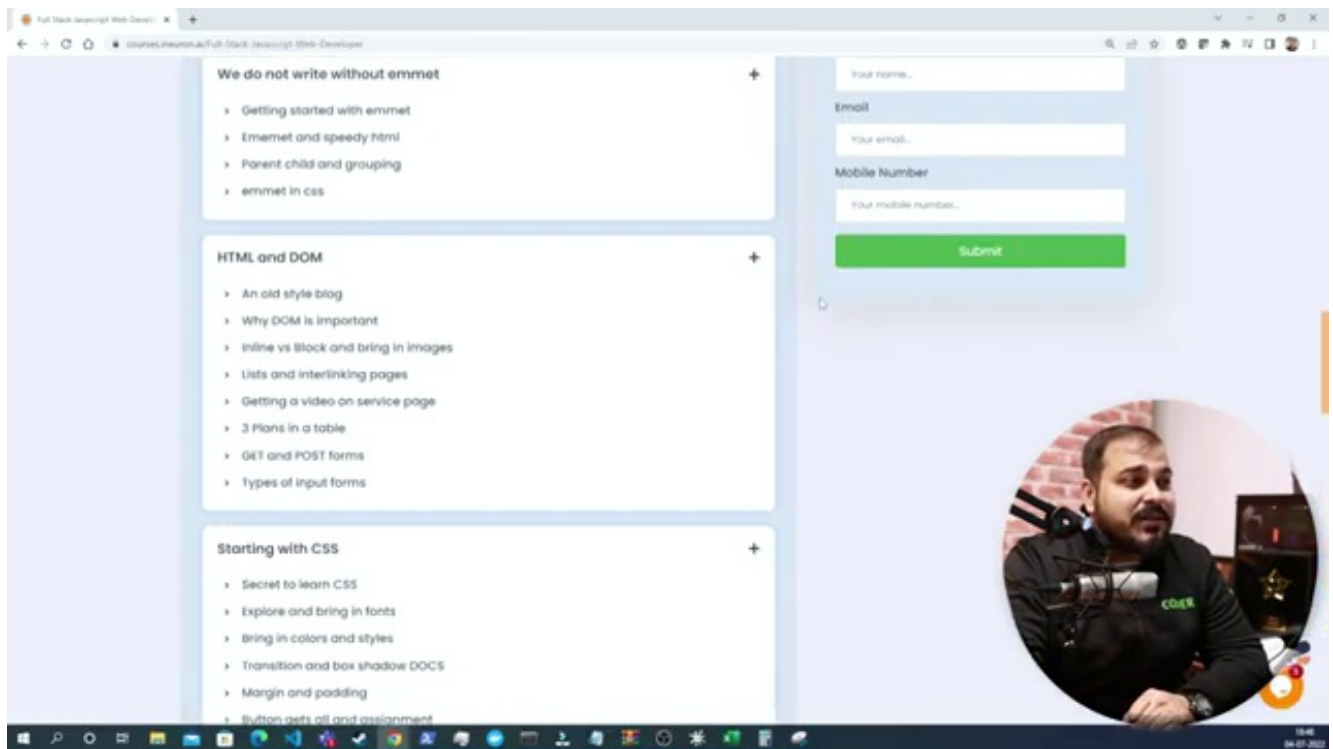

And he uploads lots of videos related to javascript data structures and many more

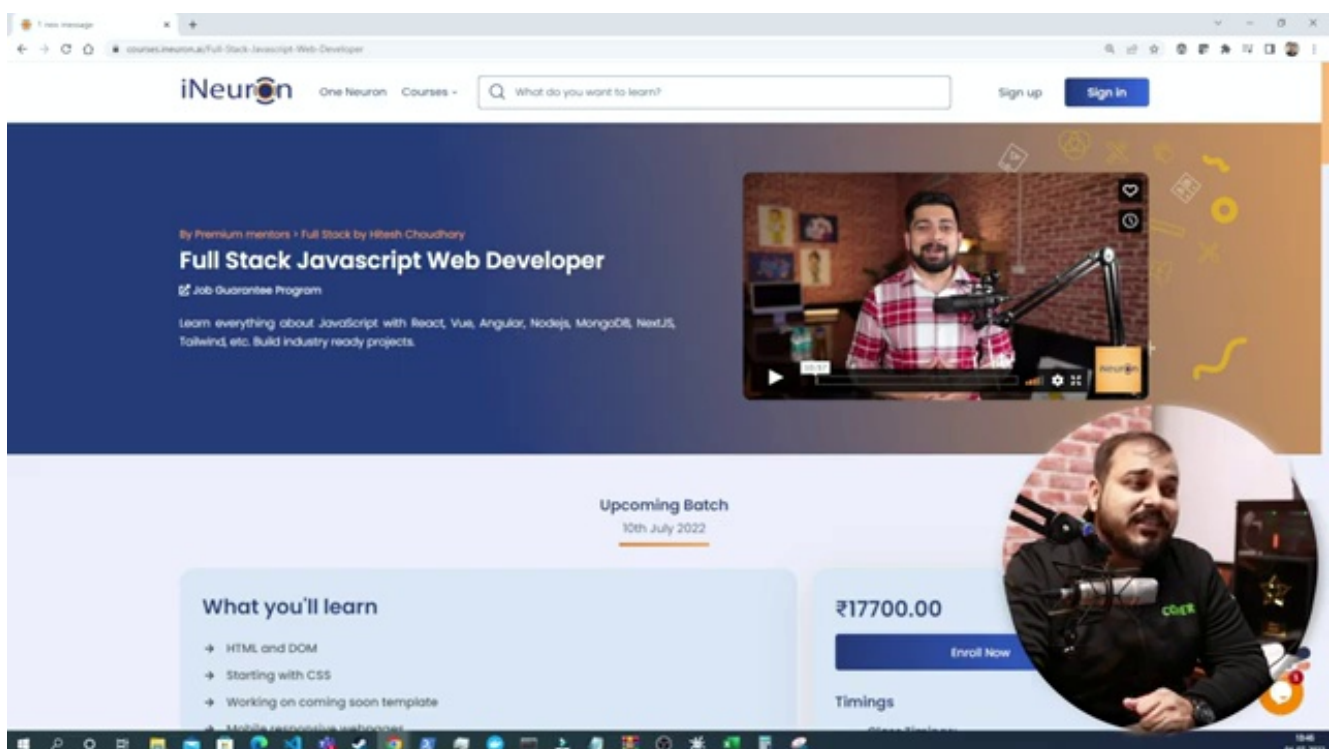

Along with them will be having the entire team that is suryapal shubham anurag siraj mukesh will be guiding you throughout the entire program

Now in this particular program you will be learning various things started with like just with react vs angular node js mongodb db next element

And many more in this program you will be actually implementing somewhere on 50 plus hands on industrial projects

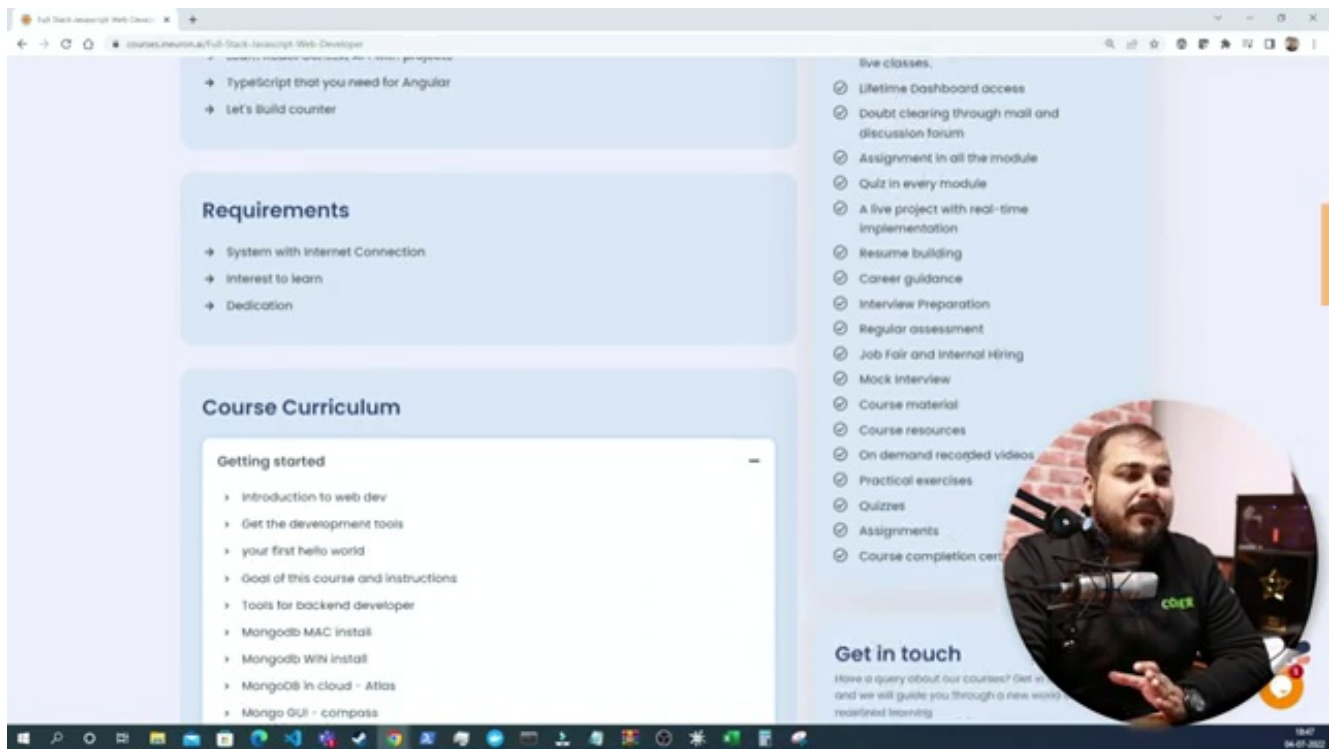

The screenshot shows a web browser window with the address bar displaying 'courses.udacity.com/Full-Stack-Javascript-Web-Developer'. The page content is organized into several sections:

- Course Topics:** A list of topics including 'Working on coming soon template', 'Mobile responsive webpages', 'Register a new account', 'CSS animation and libraries', 'Flexbox in CSS', 'Projects - HTML & CSS', 'JavaScript Refresher', 'Project - JavaScript', 'JavaScript interview questions', 'Create a react template', 'Getting friendly with states', 'Building a Tic Tac Toe', 'Learn React Context API with projects', 'TypeScript that you need for Angular', and 'Let's Build counter'.
- Requirements:** A section with three bullet points: 'System with Internet Connection', 'Interest to learn', and 'Dedication'.
- Timings:** A section titled 'Class Timings:' with the text '0:00 AM to 12:00 PM (IST) Saturday - Sunday'.
- Course Features:** A list of features including 'Full stack Web Developer certification', 'Job guarantee Program', 'One year of Internship', 'Revision Classes', 'Online Instructor-led learning: Live teaching by instructors', '50+ hands-on industry real-time projects', '100+ hours live interactive classes', 'Every week doubt clearing session after the live classes', 'Lifetime Dashboard access', 'Doubt clearing through mail discussion forum', 'Assignment in all the modules', 'Quiz in every module', 'A live project with real-implementation', 'Resume building', 'Career guidance', 'Interview Preparation', 'Regular assessment', 'Job Fair and Internal Hiring', and 'Mock Interviews'.
- Instructor:** A circular video feed of the instructor, a man with a beard wearing a black shirt with 'CODE' on it, sitting at a desk with a microphone and a small plant.

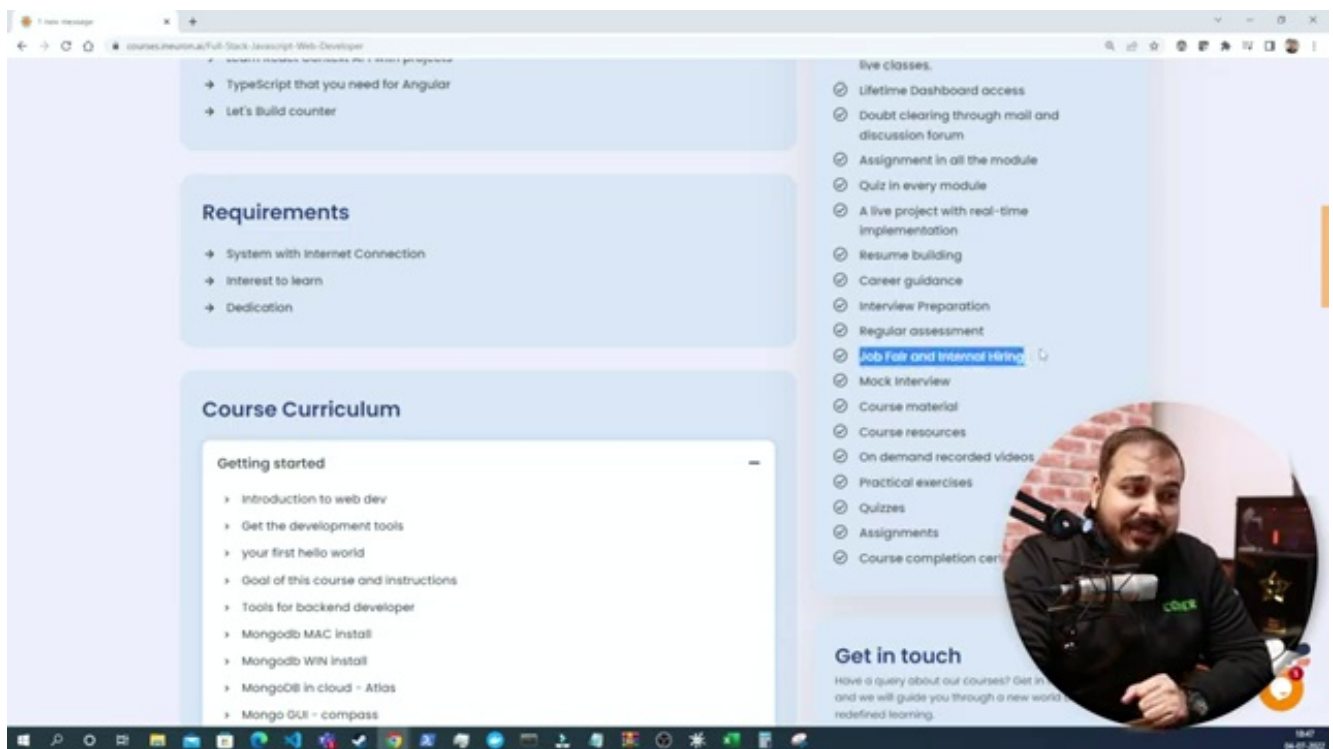

Aalha vidya vihar 100 + h live interactive classes with all the mental so that

This screenshot is identical to the one above, showing the same course page for 'Full Stack JavaScript Web Developer'. The layout, content, and instructor video feed are all the same.

I need this Entire program you're getting a lifetime dashboard access

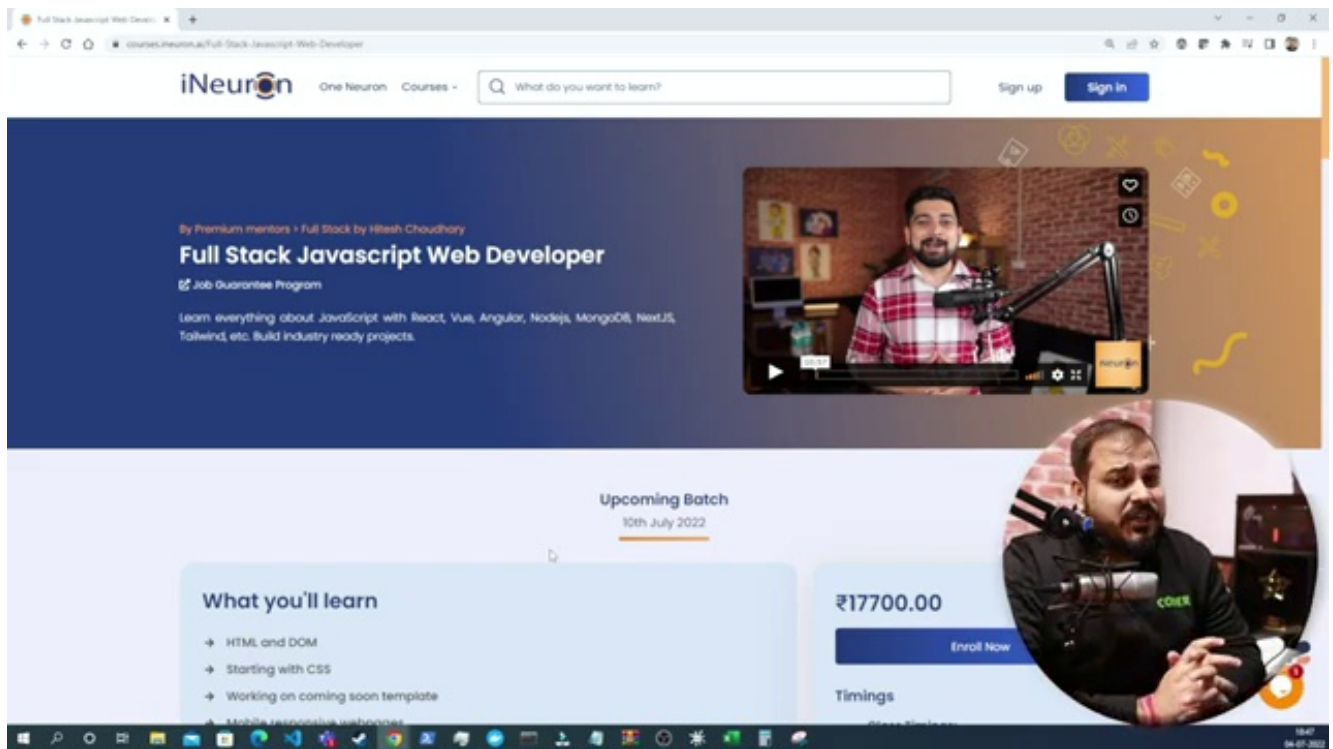

And many more things like mock interviews resume sessions

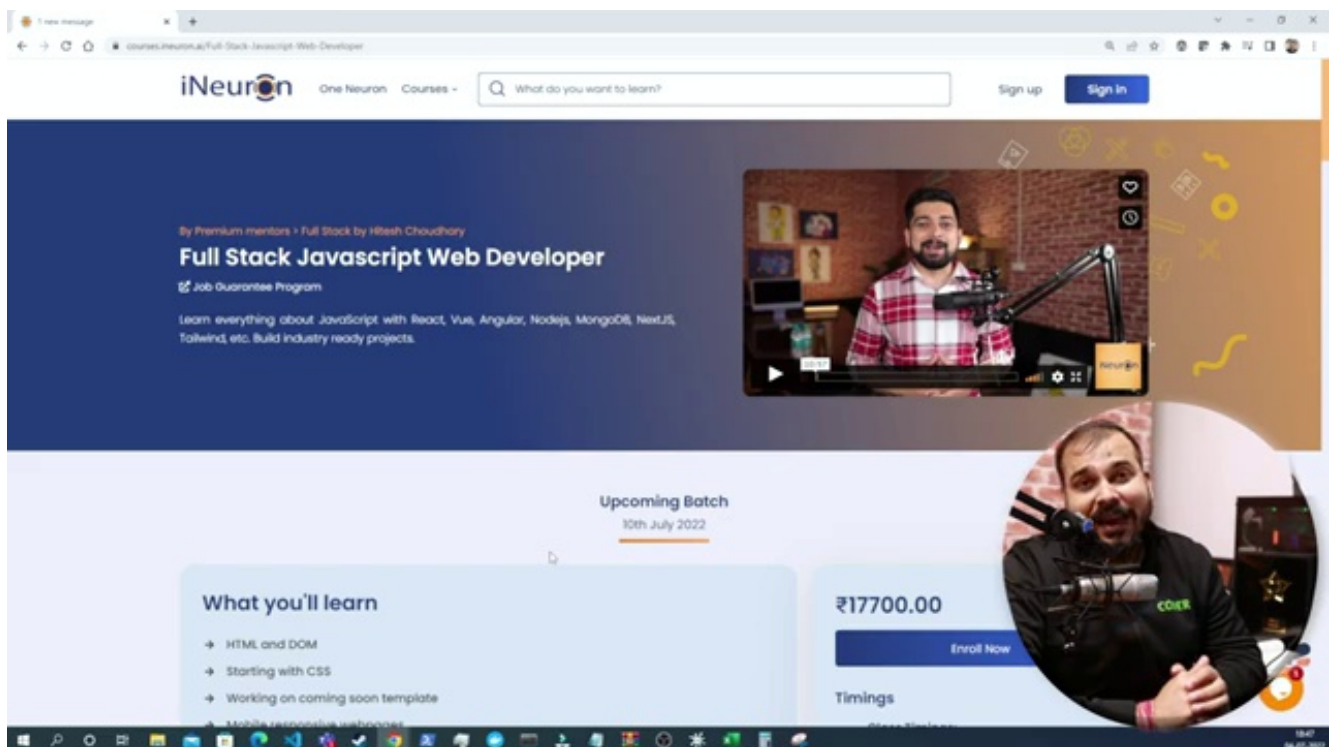

Job job fair in c u can si job fair and internal wiring is also there

And recently from the past two hackathons that has actually happened many many many full stack

Javascript developer people have got hired even in a neurone and even in our partner companies like mu sigma and vicky and

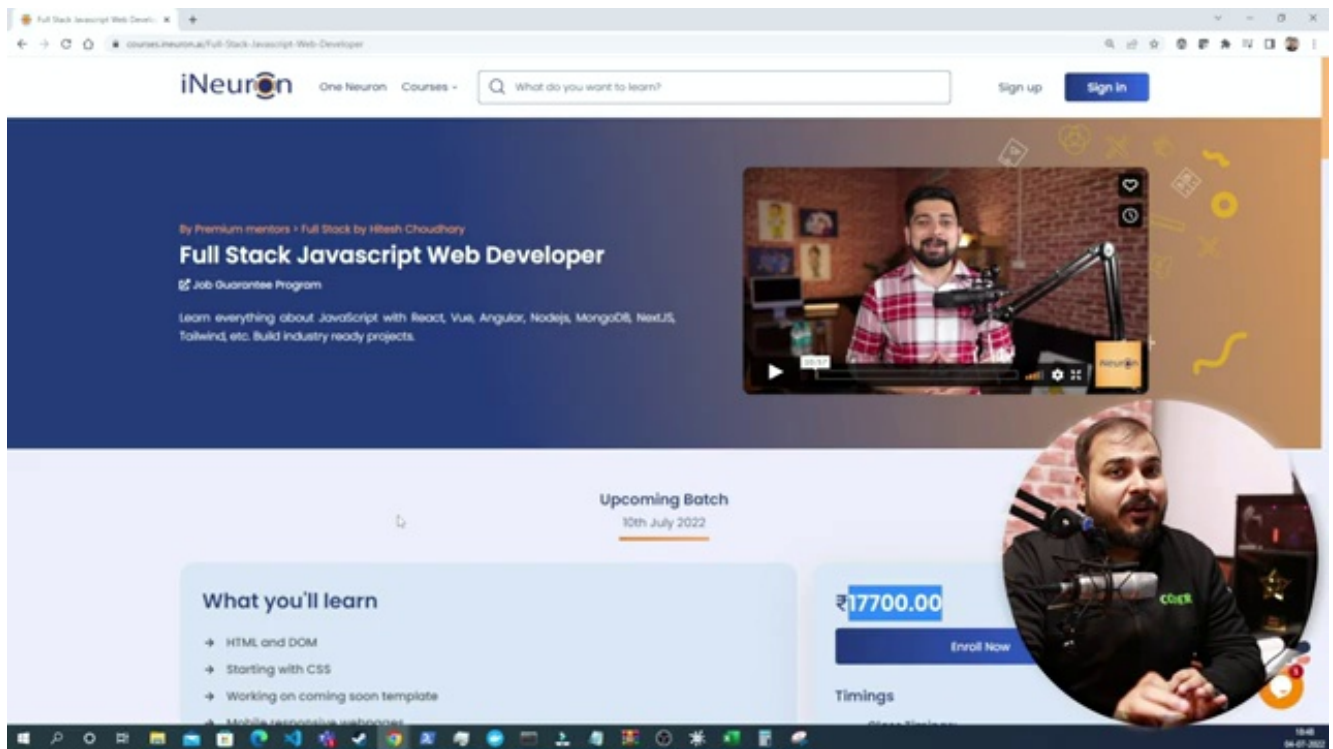

The screenshot shows the iNeuron website for the 'Full Stack Javascript Web Developer' course. The header includes the iNeuron logo, navigation links for 'One Neuron' and 'Courses', a search bar with the placeholder 'What do you want to learn?', and 'Sign up' and 'Sign in' buttons. The main content area features a video player with a man speaking, a 'Full Stack Javascript Web Developer' title, and a 'Job Guarantee Program' badge. Below this, a list of topics to be learned is shown: HTML and DOM, Starting with CSS, Working on coming soon template, and Mobile responsive webpages. To the right, the course price is listed as ₹17700.00, with an 'Enroll Now' button and a 'Timings' section. A circular inset image of a man is also visible on the right side of the page.

Right so yes this kind of hiring will continuously be happening

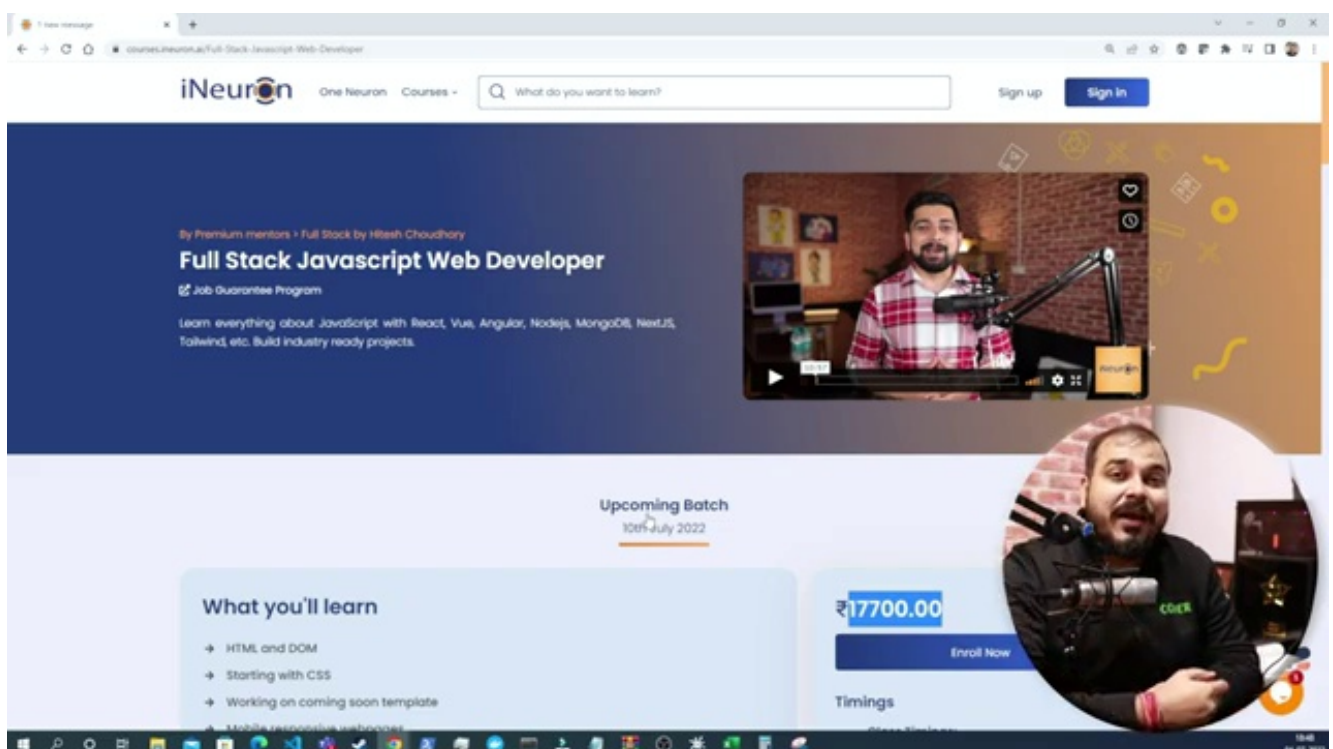

This screenshot shows the same iNeuron website page, but with more details visible. The 'What you'll learn' section now includes: HTML and DOM, Starting with CSS, Working on coming soon template, Mobile responsive webpages, Register a new account, CSS animation and libraries, Flexbox in CSS, Projects- HTML & CSS, and Javascript Refresher. The 'Enroll Now' button is highlighted in blue. The 'Timings' section specifies 'Class Timings: 10:00 AM to 12:00 PM (IST)'. The 'Course Features' section lists: Full stack Web Developer certificate, Job guarantee Program, and Opportunity of Internship. The circular inset image of a man remains on the right.

If you are really interested in this particular program i can definitely join it over here the course price is somewhere on 17700

And this is a kind of job guarantee program And along with this you'll also be getting a one year internship with a neutron you can participate at any point of time

White So yes i will check out all the information the link of the danda program will be given the description of this particular video of this is it from my side alcyon expedia have a great day thank 21 doll by
