

Announcing Job Guaranteed Full Stack Javascript Web Developer Hitesh Choudhary July 10th

Link to Video : [link](#)

The screenshot shows the iNeuron website for the 'Full Stack Javascript Web Developer' course. The header includes the iNeuron logo, navigation links for 'One Neuron' and 'Courses', a search bar with the placeholder 'What do you want to learn?', and 'Sign up' and 'Sign in' buttons. The main banner features a video of Hitesh Choudhary, the course title, and a 'Job Guarantee Program' badge. Below the banner, the 'Upcoming Batch' is listed as '10th July 2022'. A section titled 'What you'll learn' lists topics: 'HTML and DOM', 'Starting with CSS', and 'Working on coming soon template'. The course price is '₹17700.00' with an 'Enroll Now' button. A 'Timings' section is partially visible. A circular inset image of Hitesh Choudhary is on the right. The Windows taskbar is at the bottom.

Hello all my name is krish naik and welcome to my youtube channel so guys we are tiny rana happy to announce the full stack javascript web developer

This is an identical screenshot of the iNeuron website for the 'Full Stack Javascript Web Developer' course, showing the same layout, content, and elements as the first image.

Hello all my name is krish naik and welcome to my youtube channel so guys we are tiny rana happy to announce the full stack javascript web developer

The screenshot shows the iNeuron website for the 'Full Stack Javascript Web Developer' course. The header includes the iNeuron logo, navigation links for 'One Neuron' and 'Courses', a search bar with the placeholder 'What do you want to learn?', and 'Sign up' and 'Sign in' buttons. The main content area features a dark blue banner with the course title 'Full Stack Javascript Web Developer' by Premium mentors, including Hitesh Choudhary. It mentions a 'Job Guarantee Program' and lists technologies: JavaScript, React, Vue, Angular, Node.js, MongoDB, NextJS, Tailwind, etc. A video player shows a man speaking. To the right, a circular inset shows another man. Below the banner, the 'Upcoming Batch' is listed as '10th July 2022'. A section titled 'What you'll learn' lists topics: HTML and DOM, Starting with CSS, Working on coming soon template, and Mobile responsive webpages. The course fee is ₹17700.00, with an 'Enroll Now' button. A 'Timings' section is partially visible.

A circular video thumbnail of a man speaking into a microphone is visible on the right side of the page.

Job job fair in c u can si job fair and internal wiring is also there

The screenshot shows the iNeuron website homepage. The header includes the iNeuron logo, navigation links for 'One Neuron' and 'Courses', a search bar with the text 'What do you want to learn?', and 'Sign up' and 'Sign in' buttons.

The main content area features a large banner for the 'Full Stack Javascript Web Developer' course, presented by 'Premium mentors' and 'Full Stack by Hitesh Choudhary'. It includes a 'Job Guarantee Program' and a description: 'Learn everything about Javascript with React, Vue, Angular, Nodejs, MongoDB, NextJS, Tailwind, etc. Build industry ready projects.' A video thumbnail of a man speaking is part of the banner.

Below the banner, there is a section for the 'Upcoming Batch' starting on '10th July 2022'.

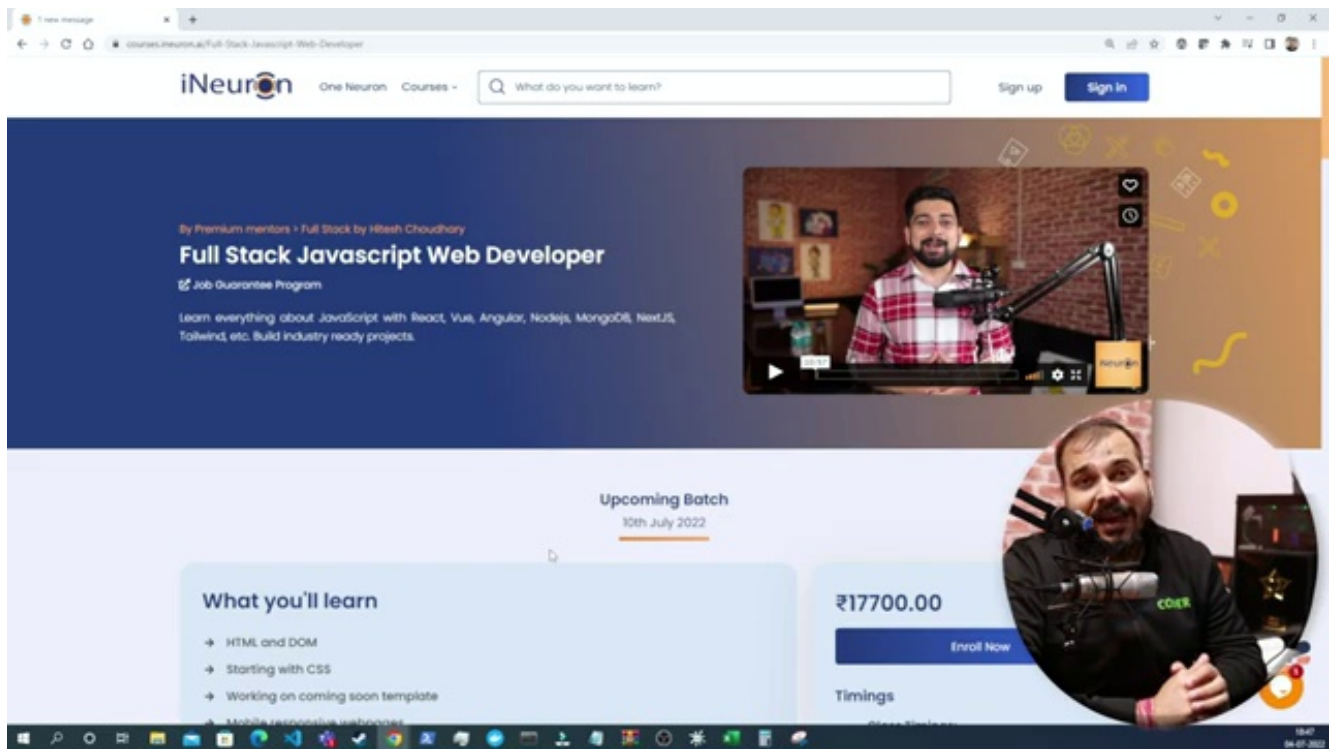

The 'What you'll learn' section lists:

- HTML and DOM
- Starting with CSS
- Working on coming soon template

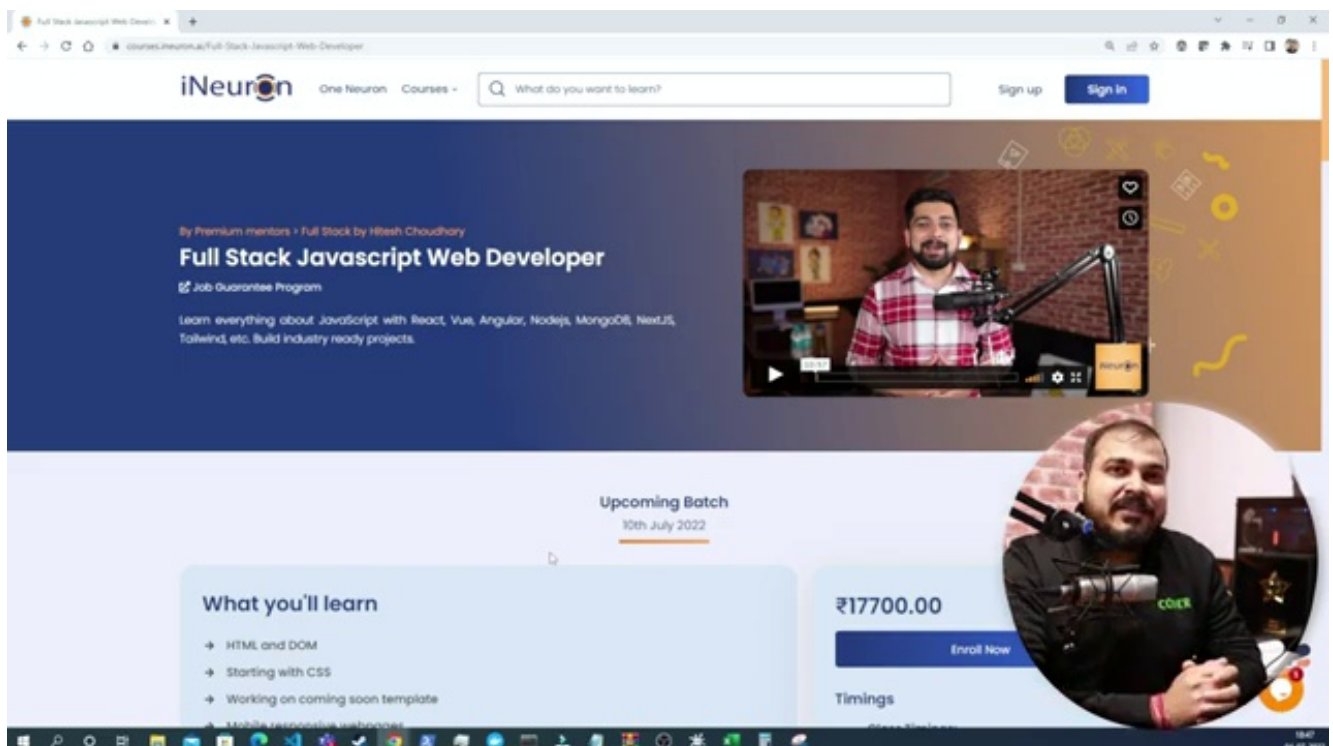

The course price is listed as '₹17700.00' with an 'Enroll Now' button. A 'Timings' section is also visible.

A circular video thumbnail of a man speaking is visible on the right side of the page.

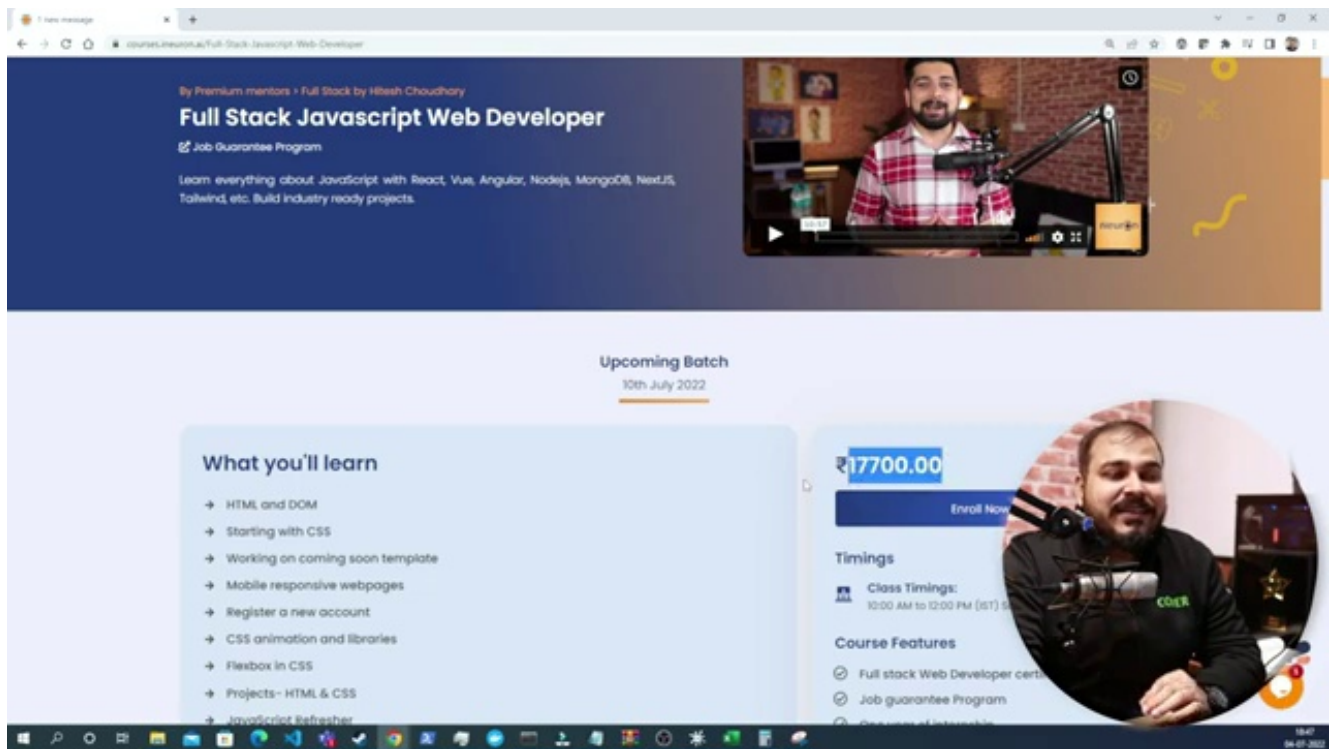

And recently from the past two hackathons that has actually happened many many many full stack

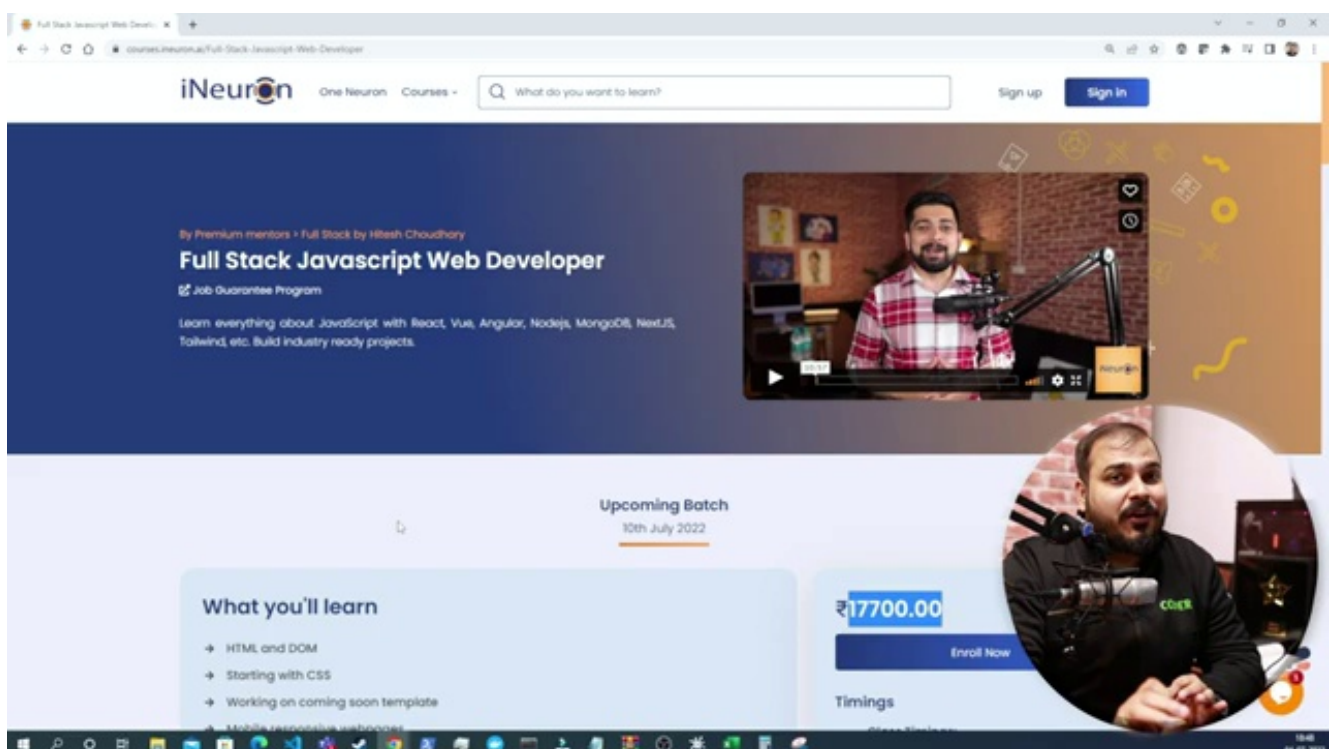

Javascript developer people have got hired even in a neurone and even in our partner companies like mu sigma and vicky and

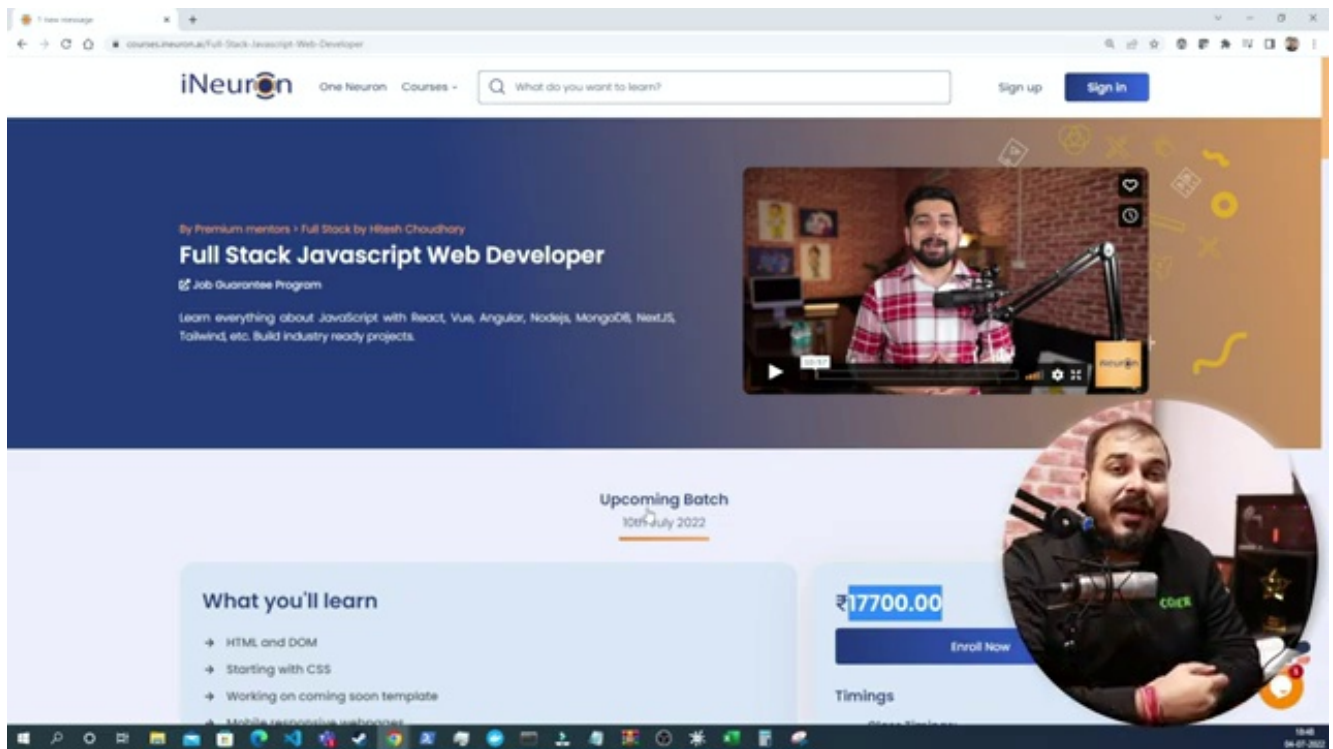

Right so yes this kind of hiring will continuously be happening

If you are really interested in this particular program i can definitely join it over here the course price is somewhere on 17700

And this is a kind of job guarantee program And along with this you'll also be getting a one year internship with a neutron you can participate at any point of time

White So yes i will check out all the information the link of the danda program will be given the description of this particular video of this is it from my side alcyon expedia have a great day thank 21 doll by
